

## PRODUCTS AND SERVICES

# FARSTAD OIL, INC.

### LUBRICANTS & GREASES

Farstad Oil's expansive lineup features only the industry's highest quality lubricants. We serve the Automotive, Commercial (On and Off Highway) and Industrial markets with superior products, delivering best-in-class protection and results.

### COMMERCIAL FUELING

We offer flexible commercial fueling options, including fuels delivered to your back yard, at our dedicated commercial cardlocks, and at our retail convenience stores."

Our commercial cardlocks and retail stores give your company the efficiency and benefits of unattended automated fueling, keeping your drivers and vehicles on the road.

And, our NFN fleet card program helps you better manage and control your fuel spend and gives your drivers access to thousands of fueling locations across the U.S.

### FUELS

Optimum equipment performance is driven by quality petroleum products. Farstad Oil's broad range of diesel, gasoline, kerosene and other fuel types, along with premium fuel additive programs deliver the solutions demanded by you and your equipment.

### EQUIPMENT

Farstad offers our customers the option to rent, and in some cases purchase, the necessary equipment to manage their purchased bulk fuel and lubricants. Additionally, our factory certified installers and service technicians are there to ensure your equipment is maintained to industry specifications.

### SPECIALTY PRODUCTS

All industry vehicles, equipment and shops require specialized ancillary products to maximize performance. Whether your special product needs are for internal use or customer-billed services, Farstad Oil's lineup will fully support the Automotive, Commercial (On and Off Highway) and Industrial markets.
